**Course Name: UCCD1213/UCCG1213 FUNDAMENTALS OF DIGITAL MEDIA TECHNOLOGY
UCCG 1113 INTRODUCTION TO MULTIMEDIA**

This assignment contributes **15%** to your final marks.

Group Size	:	4 Students per group
Report submission deadline	:	Week 11
Presentation	:	Weeks 13 and 14

Instruction:

Each group is required to prepare some **short documentary presentation** on any one of the following topics
(CHOOSE ONLY ONE): -

- TOPIC 1: **Spectacular Views of our Nature**
- TOPIC 2: **Amazing Facts of our Universe**
- TOPIC 3: **Interesting Facts About our Planets**

Deliverables

1. For **EACH group member** from the same group, **with formal attire**, do an **individual** recording (duration: **TWO minutes**) for his/her own presentation on the chosen sub-topic(s). You may use PowerPoint slides as the delivery contents. **Show your faces clearly in the recorded video/slides.**
2. Every single second beyond the permissible time of TWO minutes may result in a deduction of 1 mark from your own total individual marks! Make sure you control and manage your own presentation time well.
3. For the presentation content (the entire group), the **FIVE (5)** media elements must be included. If video (downloadable from web) is used, it has to be in muted mode.
4. The presentation should cover **things/items mentioned in the report.**
5. The spoken language **during presentation has to be in English**
6. It is compulsory to produce **ONE report** and also **ONE recorded video with slides**
7. You **MUST** name your group assignment using the following file names **BEFORE** submission:
 - **G[Group Number]_Report**
 - **G[Group Number]_Video**

For example, if your group number is 12, you should name your group assignment as follows: -

- **G12_Report**
- **G12_Video**

BOTH the files above should then be zipped into ONE file and name it as G12.zip

8. Email your zipped assignment to **<To be given by week 11>**
9. **Plagiarism** is seen as a serious cheating issue. **Do not do it.** Penalties will be applied to all students who plagiarized.

Format of the assignment:

- i) The report must be in A4 size.
- ii) Please include the cover page and marking scheme page as below.
- iii) The report cover must clearly indicate course code and description, assignment title, tutorial group, group member names, lecturer name, submission date.
- iv) Late submissions will be penalized with deduction of marks (5% of the total marks/day)
- v) Submit **softcopy only** – for both the reports and slides.
